Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule D of your report discloses debts to "CRAFT DC" with the notation "The amount reported of \$7,000 is the amount that the creditor, Craft DC, states that the committee owes. Amount of debt is disputed; disclosure of debt is not an admission of amount owed." and "The amount reported of \$15,000 is the amount that the creditor, Craft DC, states that the committee owes. Amount of debt is disputed; disclosure of debt is not an admission of amount owed." If the committee and the creditor are in dispute over the balance of the debt, the committee must establish the debt as disputed on Schedule D. The committee must disclose any payments paid to the creditor and any amount the committee admits it owes.

When a disputed debt is settled, the committee must provide a statement explaining the circumstances and conditions under which the debt is extinguished.

Until you extinguish the debts or the Commission has determined the debt is not payable, you are required to continuously disclose the debt. (11 CFR § 104.11(a))

For more information regarding disputed debts, please see Commission Advisory Opinion 1999-38 and 11 CFR § 116.10.
